

# The Sixth International Workshop on Environment and Geoscience

IWEG 2023

July 15-17, 2023

Kunming, China

## Call for Papers

### Environmental Science

Ecology; Water Environment; Atmospheric Environment; Environmental Climatology; Environmental Analysis and Methods; Environmental Biology; Environmental Chemistry; Environmental Microbiology; Environmental Toxicology; Environmental Catalysis; Nano Materials and Nanotechnology; Environmental Pollution; Maritime Environment; Environmental Governance and Management

### Geoscience

Geochemistry; Geophysics; Engineering Geology; Repair Science; Natural Resource Management; Geographical Environment; Soil Science; Geographic Information System; Remote Sensing; Natural Disasters and Engineering; Geo-microbiology; Earth and Environment Related Agricultural Science

## Important Dates

Conference Date: July 15-17, 2023

Submission Deadline: June 20, 2023

## Publication and Index

Journal of Physics: Conference Series  
(IOP Publishing: JPCS)

Online ISSN: 1742-6596

Print ISSN: 1742-6588

Index: Submitted for indexing by EI  
Compendex, Scopus, CNKI, etc.

Tel/WeChat: +86-13554040743

## Conference Committee

Prof. Youmin Chen, Henan University, China

Prof. Tianpeng Gao, Dean of School of Biological & Environmental Engineering of Xi'an University etc.

Prof. Hongzhu Cai, China University of Geosciences (Wuhan), China

Prof. Christophe Claramunt, Naval Academy Research Institute, France

Prof. Gordon Huang, Faculty of Engineering, Executive Director, Institute for Energy, Environment and Sustainable Communities, University of Regina, Regina, SK S4S 0A2, Canada

Prof. Chien-Yuan Chen, National Chiayi University

Prof. Mahmoud Reza Delavar, University of Tehran, Iran

Prof. Sajjad Ahmad, University of Nevada, Las Vegas

Prof. Ramesh Agarwal, Washington University, USA

Prof. Marios C. Phocas, Department of Architecture of the University of Cyprus

Prof. Sadaoui Moussa, HCF, M'Hamed Bougara University, Boumerdes, Algeria

Prof. Adolfo Antonio Gutierrez, National University of Tucuman, Argentina

Prof. Christian E. Schaerer, Polytechnic School, National University of Asuncion, Paraguay

Prof. Sumathi Sethupathi, Faculty of Engineering and Green Technology/Institute of Postgraduate Studies, Universiti Tunku Abdul Rahman
